

**Mendoza College of Business  
Non-Degree Open Enrollment and Online Certificate Programs for Mendoza Staff**

The College encourages the pursuit of non-degree and online certificate learning and development programs for Mendoza staff through the College of Business. This effort is to better steward our passion for professional growth and leadership development of our team members within the Mendoza College of Business.

We believe professional development is a shared responsibility, and that both individuals and organizations have the inherent responsibility to define and achieve their own excellence. Therefore, the Dean's Office is pleased to offer online certificate programs at no expense and our non-degree learning opportunities at a 50% discount off the standard program fee for one staff member per open enrollment course.

**ONLINE CERTIFICATE PROGRAMS**

**Eligibility:**

- The program must be an online program offered by Mendoza College of Business through Bisk.
- The participant must be full time staff within the Mendoza College of Business, with industry skills, work experience, and development interests as outlined in each program description.

**Pricing and Financial Commitment:**

- The College will financially fund 100% of the standard program rate
